ANNUAL REPORTS
OF THE
TOWN OFFICERS
OF
WALPOLE, N. H.
FOR THE YEAR ENDING
JANUARY 31, 1937

SENTINEL PRINTING COMPANY
KEENE, N. H.
1937

STATE OF NEW HAMPSHIRE

Cheshire, ss.:

To the inhabitants of the Town of Walpole qualified to vote in town affairs:

You are hereby notified to meet at the Town House in said town on Tuesday, the ninth day of March next, 1937, at nine o'clock in the forenoon to act on the following subjects:

Article 1. To choose a Town Clerk, one Selectman for three years. Auditors, Town Treasurer, Road Agent. Collectors of Taxes, Trustees of Public Funds, Surveyors of Wood and Lumber, Fence Viewers, and all other necessary officers.

Art. 2. To raise money for the support of the town poor, for town library, for cemeteries, to build and repair highways and bridges, and such other current expenses as may accrue.

Art. 3. To see if the town will vote to authorize its selectmen to raise money on notes of the town for current expenses. in anticipation of taxes.

Art. 4. To see if the town will vote to allow a discount on taxes.

Art. 5. To see if the town will vote to raise and appropriate \$8,000 to oil the streets of Walpole Village, and North Walpole, and town roads.

Art. 6. To see if the town will vote to appropriate \$30 for Memorial Day.

Art. 7. To see if the town will vote to raise and appropriate \$1,000 to improve and gravel the Valley road, so called, beginning at the end of last year's work and continuing to the Alstead line.

Art. 8. To see if the town will vote to raise and appropriate \$4,000 for permanent hard surfaced road on North Main street in Walpole Village, beginning where hard road now ends.

Art. 9. To see if the town will vote to raise and appropriate \$1,000 to improve and gravel the March hill road, beginning at the end of last year's improvement and continuing easterly.

Art. 10. To see if the town will vote to raise and appropriate \$500 for improvement of Pleasant street in Walpole Village.

Art. 11. To see what action the town will take toward improving and draining School street in Walpole Village.

Art. 12. To see if the town will vote to raise and appropriate \$300 to improve and drain Vine street in North Walpole.

Art. 13. To see if the town will vote to raise and appropriate \$1,995.75 for State Aid on the County road.

Art. 14. To see if the town will vote to raise and appropriate \$3,000 for the construction of the County road, provided the State shall appropriate a like sum of \$3,000 for the same purpose, it being understood that if the appropriation is made by the State and the town accepts such special aid, that the town shall not be entitled to state aid for Class II roads.

Art. 15. To see if the town will vote to authorize the selectmen to sell to Ralph Podwin the small plot of land on which his house stands on the town lot.

Art. 16. To see what action the town will take in regard to rebuilding the brick shop, so-called, to make it suitable for a town lock-up.

Art. 17. To see if the town will vote to paint the Town Hall and appropriate \$700 for same.

Art. 18. To see if the town will vote to protect the shade trees of the town, and raise money therefor.

Art. 19. To vote on the following question, as required by a joint resolution of the General Court: "Is it expedient to revise the Constitution?"

Art. 20. To see if the town will authorize the selectmen to administer and dispose of any real estate acquired by the town through tax collectors' deeds.

Art. 21. To see if the town will vote to accept such funds as have been left it during the past year.

Art. 22. To transact any other business that may legally come before said meeting.

Given under our hands this 23rd day of February, 1937.

HARRY J. STOWELL,
JAMES T. RELIHAN,
JOHN W. PRENTISS,
Selectmen of Walpole.

A true copy—Attest:

HARRY J. STOWELL,
JAMES T. RELIHAN,
JOHN W. PRENTISS,
Selectmen of Walpole.

STATE OF NEW HAMPSHIRE (SCHOOL WARRANT)

Cheshire, ss.

To the inhabitants of the school district in the town of Walpole qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district on the 13th day of March, 1937, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose two members of the School Board for three years.
4. To choose a Treasurer for the ensuing year.
5. To choose two auditors for the ensuing year.
6. To hear the reports of the School Board and Treasurer and take any action thereon deemed necessary.
7. To see if the district will vote to make any alterations in the amount of money to be assessed to meet the 1937-1938 budget as printed and raise money for the same.
8. To see if the district will authorize the School Board to enter into a contract with the School District of Rockingham for high school tuition.
9. To see what sum of money the district will vote to raise and appropriate for repairs and new equipment.

10. To transact any other business that may legally come before said meeting.

Given under our hands this 15th day of February, 1937.

Respectfully submitted,

EDWARD F. REARDON,

Road Agent.

We the undersigned, auditors for the town of Walpole, have examined the accounts of Road Agent and find same correct.

AUSTIN I. HUBBARD,
HAROLD O. PIERCE,
PATRICK HARTNETT,
Auditors.

Feb. 12, 1937.

The following roads and bridges were repaired out of State and W. P. A. flood funds:

- 900 ft. resurfaced on Ramsey Hill road.
- 600 ft. resurfaced on Wells Cross road, 2 culverts.
- 1,550 ft. resurfaced on North road, 1 culvert.
- 1,350 ft. resurfaced on High Hill.
- 600 ft. resurfaced on Wentworth road.
- 500 ft. resurfaced on Roy Hill, 2 culverts.
- 4,000 ft. resurfaced on Watkins Hill, 4 culverts.
- 700 ft. resurfaced on Davis Hill.
- 1,100 ft. resurfaced on Whitney road.
- 1,300 ft. resurfaced on Green road, 1 culvert.
- 1,700 ft. resurfaced on further end of County road.

HIGH STREET BRIDGE

One new cement footing made and new fence built.

WATKINS HILL BRIDGE

Stone butments reset and pointed with cement. Bridge scraped and painted and new floor put in with new guard rails. Bridge lowered 2 feet and channel of brook dug out. Approaches rebuilt.

O'BRIEN BRIDGE, WIDE TYPE, WALPOLE VALLEY

Location of bridge and channel changed to improve curve at this point in the road. New cement butments built and new creosote deck. Approaches rebuilt and new guard rails off corners of bridge.

W. P. A. labor paid by W. P. A. funds for flood repairs including the above list amounted to,	\$4,789 26
State funds for flood damage on above work,	3,887 73
W. P. A. labor to improve schoolhouse playground amounted to,	1,194 20
W. P. A. labor on emergency winter work amounted to,	993 11

COUNTY ROAD

State and town balance of County Road fund, 1935,	\$1 36
Town appropriation for 1936,	3,000 00
State contribution for 1936,	3,000 00
	<hr/>
	\$6,001 36
Tar for county road,	\$593 32
Culverts,	836 69
Fence stock,	22 85
Labor, trucks, shovel, gravel, cement, etc.,	4,545 20
	<hr/>
Total,	\$5,998 06
State and town balance of fund,	3 30
	<hr/>
	\$6,001 36

4,350 ft. tar road completed.

2 7-8 miles remaining, to be built.

Walpole, N. H., Feb. 9, 1937.

REPORT OF COMMITTEE ON TOWN LIBRARY

The committee regrets the loss by death of two of its most faithful members, Mr. Lincoln, chairman, and Miss Bates, both of whom in length of service and devoted interest gave unsparingly in their effort to forward the welfare of the library.

The past year has been marked by an increased use of and interest in the library by the younger members of the community. This interest has been stimulated by continued effort on the part of the librarian to supply these school children with helpful advice, regarding the benefit to be derived from the regular use of the library facilities.

The circulation of Juvenile books has increased to 2,527. The circulation of adult fiction was 5,134 of non-fiction 736, making a total circulation of 8,397. There also have been 716 magazines issued. The North Walpole Library has been well patronized, their total circulation was 3,477.

We have purchased 252 new books and have been given 41.

No repairs have been necessary this year but additional shelves have been contracted for, to care for the increased number of Juvenile books.

The librarian will be pleased to receive suggestions of desirable new books and gifts of books are most acceptable.

The committee is grateful for support extended them the past year and welcomes your continued co-operation.

Respectfully submitted,
MARGARET P. PORTER,
Chairman.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Walpole:

I herewith submit my fourth report as Superintendent of Schools.

ORGANIZATION AND ENROLLMENT

After three years of very efficient service as headmaster of Walpole High School, Mr. John Cotton resigned to accept a similar position in the high school at Whitefield. Mr. John Whittemore, who had served faithfully as submaster, was promoted to the position of headmaster. Mr. Jonathan Osgood was selected for the position in the agricultural department. Mr. Osgood is a graduate of the University of New Hampshire and was for three years submaster and teacher of agriculture at Raymond.

Miss Barbara Henry, a graduate of Keene Normal School, was elected to fill the vacancy in the home economics department.

Miss Fern Lloyd was elected to fill the vacancy in the sixth grade at North Walpole which was caused by the resignation of Miss Gallagher. Miss Lloyd is a graduate of the three year elementary curriculum of Keene Normal School.

Miss Dorothy Rising, a graduate of Plymouth Normal School, completed the school year in the fifth-sixth grade at Walpole and was elected as a regular teacher.

The program of standard diagnostic tests which was begun last year will be continued with a few changes. In accordance with the program as outlined every pupil will be thoroughly examined for deficiencies in silent reading, fundamental processes in arithmetic, and language usage.

A grade standard has been established for each subject tested and the tests are especially designed to point specifically to types of deficiencies.

The real value of the testing program depends upon the thoroughness of the subsequent corrective work which is done by the teachers. Retests were given last year in several schools of the union after a period of remedial instruction. The result indicated a very fair percentage of correction.

The continued use of a testing program of this nature will influence the efficiency of instruction and will indicate where emphasis should be placed in teaching the fundamentals.

Standard tests, however, are only rough estimates of the effectiveness of the general education of our pupils. We are primarily interested in the growth of our young people in ideals, attitudes, and habits. These traits are not measurable by any tests now in use, but we know from experience that they are developed by a good teacher in a well-conducted school.

Forms of the following tests are used according to the grades for which they are especially designed.

Haggerty Reading Examination
 Shank Test in Reading Comprehension
 Spencer Diagnostic Test in Arithmetic
 Gregory Diagnostic Language Test
 Metropolitan Achievement Tests
 Otis Test in Mental Ability

A standard graduation test is given each year to all pupils in the eighth grade. Various subject achievement tests are given in the high school classes to measure scholastic attainment and to indicate the effectiveness of instruction.

An attempt has been made to unify the textbooks in use in the schools of the supervisory union. For several years a definite program of textbook adoptions has been followed. Books are selected which are adapted to the grades for which they are intended and which are in accordance with the material outlined in the State Program of Studies. New books are purchased, as far as possible, according to this standard

with the result that the pupils in the various schools will eventually be using the same material. This will be an advantage when children transfer from one school to another.

The teachers are making good use of the excellent workbook material which has recently been made available in the different subjects. This material when carefully selected and correctly used has much value. The better workbooks are prepared by recognized authorities. In rural schools and with the larger units the use of workbooks has helped to solve the problem of organizing the work of the study groups.

SUMMARY OF ENROLLMENT

January 15, 1937

Walpole High School,	86
North Walpole High School,	20
Walpole Junior High,	50
Walpole Elementary (grades 1-6),	135
North Walpole Elementary (grades 1-8),	153
North Walpole Sub-Primary,	16
Number 14 School,	24
Drewsville,	19
<hr/>	
Total,	503

The enrollment in Walpole High School is ten more than last year. There are forty-two pupils in the combined fifth-sixth grades.

BUILDINGS AND EQUIPMENT

As a result of an improvement program covering a period of several years the school buildings of the district are now in excellent condition. Following is a list of the repairs and improvements made during the year.

Walpole village school:

New front doors on main building with panic bolts and lock.

New flooring in the lower front hall.

New walls and ceiling in the school office.

The walls and ceiling were painted in the chemical laboratory, fifth-sixth grade room, home economics kitchen, basements, and hallways of both buildings.

The lower section of the walls in the language room was sheathed and varnished.

The walls and ceiling of the classroom in the manual training building were repaired and painted.

Pyrofax gas equipment was installed for use in the chemistry laboratory and home economics kitchen.

A laboratory table was built for chemistry and physics experiments.

The old benches in the laboratory and language room were replaced with thirty-six tablet arm chairs.

New equipment and furnishings were installed in the home economics department.

The steam pipes in the basements were insulated.

North Walpole:

Both buildings were painted on the exterior.

New chimney interior in the Kilburn building to repair damage caused by lightning.

Roof of Kilburn building retarred.

Walls of four rooms on the north side of the Kilburn building were repainted.

The flagpole was reset in a new position with a new eleven foot base.

The school yard was resurfaced with washed gravel providing a needed improvement.

The field in the rear of the school was purchased by the School District. It was developed and graded into an excellent playground and athletic field by use of W. P. A. funds.

Return system in Keep building heating arrangement was replaced with a new set-up. An overhead dry system was installed.

New radiators were installed in the boys' basement of the Keep building.

The boiler was thoroughly overhauled and all valves replaced with new ones.

Two new windows were added in the Kilburn building and a number of window sills and casings were replaced.

Two shutters were placed to protect the basement windows in the Keep building.

New iron piping around the grassplot in front of the Kilburn building.

The fence bordering on the Fitzgerald property and the iron railing on cement stairway were painted.

The drainpipe from the playground was relaid to the south side of the Kilburn building to insure a better take-off.

Drewsville :

The ceiling was painted.

A new swing support for three swings was erected on the playground.

A new teacher's desk and chair and seven primary chairs for the reading class were purchased.

Number 14 :

Two new screens were made for the windows.

A wire fence was built around the school property to protect the children on the playground.

The low spots in front of the building were filled in and the yard was graded with washed gravel.

A swing support and two teeter boards were provided on the playground for the small children that remain at noon and wait for the school bus.

Seven primary chairs were provided for the reading classes.

STATISTICAL REPORT FOR 1935-1936

Total registration.	529
Average membership,	495.26
Percentage of attendance.	95.39
Cases of tardiness.	568
Number of pupils not absent or tardy,	43 .

The total registration is twelve more than last year. There was a marked improvement in the percentage of attendance. There was an increase of 124 in the number of cases of tardiness. The number of pupils with a perfect record of attendance is commendable.

In conclusion I wish to express my appreciation of the co-operation I have received from members of the School Board, teachers, parents and pupils.

Respectfully submitted,
CHARLES D. DALZELL,
 Superintendent of Schools.

REPORT OF HEADMASTER WALPOLE HIGH SCHOOL

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir :

I herewith submit my report as Headmaster of Walpole High School.

REGISTRATION

Summary of the first twenty weeks of the school year, 1936-1937.

	Senior High	Junior High
Number of pupils enrolled,	87	52
Boys,	45	24
Girls,	42	28

Number transferred or withdrawn,	6	2
Present enrollment,	81	50
Number of pupils not absent or tardy,	23	14
Number of instances of tardiness,	29	17
Percent of attendance,	96.5	93.8
Number of visits by citizens and others,	32	6
Non-resident enrollment,	15	0

Our opening enrollment of 87 pupils in the Senior High School was the largest in the history of Walpole High. Four withdrawals have been necessary due to illness and one to change in family residence. This year, to date, our tardiness has been less than one third that of a year ago, due in some measure to improved road conditions. Credit too must be given pupils and parents for their interest in keeping our record good. The many cases of grippe prevalent during the latter part of this half year have seriously affected an otherwise fine attendance record. The number of visits of citizens and others has increased, but is still low.

SCHOLARSHIP

By the use of differentiated assignments, we are endeavoring to maintain high scholastic standards, and provide levels of attainment comparable with individual abilities. Review tests in reading, language, and arithmetic have been given in grades 7-10 as a further guide in providing remedial work.

We are attempting to maintain the fundamentals by constant practice during periods devoted to this work.

The State Board of Education report placed Walpole High above the state average in English Forms, Place Geography and Mental Ability.

ORGANIZATION

Our assembly programs held Friday afternoon have been under the joint direction of the several teachers, and the Blue and White Club. Programs embodying the students are teach-

er supervised while the Blue and White Club assumes responsibility in obtaining outside speakers.

The Warbler staff under the direction of Miss Dorothy Sewell of the English department produced a fine December number with much literary value.

The Dramatic Club presented three one act plays in connection with the school fair, and plan to give a second public presentation early in March.

School socials are conducted by each class and are free to all students. Funds necessary to conduct these affairs were obtained from sales at the School Fair. Junior and Senior High socials are held separately. Much value in proper social conduct and enjoyment is derived from these get-togethers.

Music under Miss Evelyn Brinton has given all students opportunity for development. The Operetta as presented was one of the outstanding successes of the year.

Girls basketball as in the past years has been intramural. A regular schedule comprising three teams has been played. Much interest and improvement of individual and team play has been noticeable. Girl's athletics are under the direction of Mrs. Helen Galloway assisted by Miss Barbara Henry, and Miss Edith Swett. The baseball team coached by Mr. Gordon Ayer enjoyed a fine season. both from a physical and a percentage of wins standpoint. The Varsity and Junior Varsity basketball teams are enjoying the best season in years, the varsity team losing only one game in state competition to date. The Junior High basketball team under the direction of Mr. Gordon Ayer has shown steady improvement. Were greater recreational facilities available, much more time could be given this important phase of youth development. It is hoped, the near future may provide a school gymnasium, and auditorium where physical developments of all students, rather than that of a chosen few will be possible.

BUILDINGS AND EQUIPMENT

The addition of screens for the majority of windows in all buildings was a much needed improvement.

Installation of gas in the chemical laboratory, and Home Economics kitchen together with a new electric and oil range in the latter have helped greatly to bring these departments to a level comparable with other schools.

Overcrowded conditions especially in the High School are very apparent. This year it has been necessary for several students to use arm chairs as permanent desks placed in the main passing aisle leaving a passing space in the main aisle of only four feet. Such conditions with a steady trend toward increased enrollment present a situation worthy of public attention and thought.

AGRICULTURE

The total enrollment in the Agricultural Department numbers 19, in the Freshman-Sophomore group, and 9 in the Junior-Senior group.

The planting of white pine transplants was continued last spring, an additional three thousand being set out. A promising young forest of forty-three thousand pine and spruce has been set since the Hooper property became a part of the school.

The Future Farmer organization conducted the school greenhouse project in a very successful manner, supplying people in the community and school projects with plants at a nominal cost, and deriving much valuable experience.

A complete spray program in the Hooper orchard and the community was carried out. In the school orchard disease and insect damage was well controlled, but heavy frost damage reduced the fruit set.

The four boys having the highest rating in poultry projects were presented two hundred day old chicks by the Hubbard Farms. Such interest in our school work is greatly appreciated.

The department was represented at the state Future Farmer prize-speaking and judging contests held last April. Two boys were placed on the state poultry judging team.

The Hooper Chapter of Future Farmers of America broadcast a fifteen minute radio program over station W. F. E. A., in Manchester, New Hampshire, last August. Four boys enjoyed a week's vacation at the State Future Farmer Camp, held at Crystal lake in Gilmanton Iron Works, New Hampshire. This was made possible by the generosity and interest of Walpole Grange and the Social Chapter of Future Farmers.

The twelfth Annual School Fair was held October 2nd in the Town Hall. School work and projects were displayed. Exhibits were in accordance with specifications set up in the premium list as prepared by the Fair Association. Participation was encouraged by awards of ribbons and a trophy cup was given by the Fair Association to the boy and girl who scored the most points in the exhibits of the Agricultural and Home Economics departments.

Twelve boys enjoyed a very educational trip to the Eastern States Exposition.

Dairy, poultry, fruit, livestock, and forestry judging and wood chopping teams represented our department at the Interscholastic Judging Contests held at the University of New Hampshire. Individual high scores were in dairy cattle judging and wood chopping.

Class work for the year has been based on the four-year plan of work as set up for Walpole High school and based on the leading agricultural enterprises engaged in in this community. A suitable Supervised Farm Practice Program is carried on by each boy in the department, along some practical phase of agriculture. Enterprises engaged in by the boys are: dairy, poultry, small fruits, swine, vegetable gardening, and beekeeping.

We greatly appreciated the co-operation of the farmers in the community who have made possible our field trips throughout the year.

HOME ECONOMICS

The first of the year seemed to be a very busy time for the home economics students. A great deal of this time was used for the food preparation unit in which the outstanding products were exhibited at the School Fair.

At Christmas the girls fixed baskets which they gave to families in the community worthy of such help.

After the Thanksgiving vacation the students took over the responsibility of the preparation and the serving of hot lunches to about thirty pupils needing this special attention. The Grange members have contributed all the vegetables, soup bones and some of the other foods which have been used for this purpose.

Last fall the girls had the opportunity to serve a most successful supper to the Future Farmers. The tables were attractively decorated with evergreens, candles and place cards.

The teaching staff gratefully acknowledges the co-operation of the superintendent and townspeople in making our work successful.

Respectfully submitted,

JOHN K. WHITEMORE,

Headmaster, Walpole High School.

REPORT OF HEADMASTER NORTH WALPOLE HIGH SCHOOL

Mr. Charles D. Dalzell, Superintendent of Schools.

Dear Sir:

I submit herewith my report on the work and condition of the North Walpole schools.

ENROLLMENT

The registration throughout the various grades is: Sub-Primary, 16; Grade 1, 22; Grade 2, 17; Grade 3, 15; Grade 4, 20; Grade 5, 17; Grade 6, 22; Grade 7, 19; Grade 8, 21; Grade 9, 10; Grade 10, 10. Total, 189.

Miss Fern Lloyd of North Walpole, a graduate of Keene Normal School, was elected to teach Grade 6 this year to fill the vacancy caused by the resignation of Miss Katherine Gallagher.

SCHOLARSHIP

The general results as observed by the daily work of the pupils and the periodic checkup of the skill they have acquired furnish us with an estimate of their scholarship. What might be said of our pupils can be stated also of the boys and girls of all other schools when we are considering the quality of their school work and the degree of mental growth which they show through the years. We have the usual equipment of children to contend with, immaturity, brightness, mediocrity, and finally, low grade mental ability. Some respond to teaching well and show normal growth. Others find it difficult to absorb one or more branches of the assigned work owing to lack of mental ability, lazy habits of study and disinterest.

There is a wide range of mental ability in any average school grade. Sometimes the balance veers to the subnormal and sometimes, though rarely, to the super-normal.

Nevertheless, despite the discouraging results that often face the teacher, efforts are continually made to improve the work of the pupils and bring them up to a passable grade.

A series of tests has been given recently in Grades 3 to 10 in Reading Comprehension, Arithmetic Fundamentals and Problems, English, and History. An Otis Intelligence test was given in Grade 9.

The results have been quite satisfactory. The tests were of the standard school variety with equivalent grade ratings

for the results obtained. These ratings have been established by test experts through similar tests given to thousands of pupils.

They present an interesting and enlightening report of what our pupils are learning and how their work compares with the standard grade ratings listed in the tests.

In many cases the pupils received a higher grade rating than the grade they are working in. Many others equalled the work of the grade they are in and a small number fell just below.

In addition to showing us this comparative rating with standard scores, the tests furnish us with information as to what branches of work we might review and stress.

We are particularly interested in training our pupils to speak English correctly. Grammar and correct English periods are arranged especially for the learning of proper speech forms. Oral talks on subject work and special current events are required in all the upper grades and give our pupils valuable training in speaking correctly.

We extend an urgent invitation to all parents to visit the school and see our system in operation. They will then obtain a good idea of our daily work. Interviews with teachers are always helpful. They result in a better understanding of conditions that affect the work and standing of the children in school.

We suggest strongly that parents check the home study time of their children, particularly those in the higher grades. Home work is absolutely necessary for pupils to keep up with their classes.

ATTENDANCE AND ABSENCE

A large percentage of our pupils are regular and punctual in their attendance at school.

A small number in the grammar and high school grades cause most of our absence and tardy marks. Judging from reports of the causes of many of these absences they appear unnecessary. In a few instances in the upper grades pupils have been kept out for long periods of time, the parents ignoring the fact that our state school attendance law can be enforced with a serious penalty.

However, our grade averages for the first twenty weeks of the school year are high and are as follows: Sub-Primary, 96.41; Grade 1, 92.98; Grade 2, 97.33; Grade 3, 97.5; Grade 4, 96.93; Grade 5, 97.73; Grade 6, 95.64; Grade 7, 98.14; Grade 8, 95.74; Grade 9, 95.80; Grade 10, 96.79.

The number of tardy marks by grades are: Sub-Primary, 12; Grade 1, 7; Grade 2, 6; Grade 3, 4; Grade 4, 8; Grade 5, 5; Grade 6, 8; Grade 7, 22; Grade 8, 17; Grade 9, 4; Grade 10, 7; total, 100.

DISCIPLINE

The classroom conduct of our pupils is quiet and orderly. Teaching is conducted under satisfactory conditions. Serious cases of disobedience are rare. Temporary lapses from good conduct which are to be expected in any group of children are corrected quickly.

INSPECTION

The annual inspection of the High School has been conducted by High School Agent Russell Leavitt. His report expressed satisfaction with conditions. We have endeavored to follow his constructive criticisms.

OUTSIDE ACTIVITIES

A Four-H club composed of girls from Grades 8 and 9 meets weekly for social and practical purposes. Embroidery and sewing projects are taken up. Holiday programs and parties, and hikes have been conducted. Miss Helen Binkunski is director of this group.

A group of twenty-two of our boys over 12 years of age has been organized into two Boy Scout Troops. The benefits to our boys from such an organization are manifold. Mr. Joseph Dube is Scout Master.

IMPROVEMENTS

The painting of the two school buildings, resurfacing of the school yard with washed gravel and the development of the playground in the rear of the school, stand out as the main improvements in a group of many repair jobs arranged or assisted in by the members of the School Board last summer. The grounds surrounding the buildings together with the condition of the buildings themselves presented the best appearance they have ever shown following the renovation work.

MUSIC

In addition to teaching her weekly music lessons in each grade, Miss Brinton conducts a volunteer singing group Wednesday noon. Most of these pupils are from Grade 7.

A sextet composed of High School pupils also rehearses once a week under the direction of the music teacher.

Respectfully submitted,

JAMES A. RUSSELL,

Headmaster.

REPORT OF SPECIAL TEACHER OF MUSIC

To the Superintendent of Schools:

I submit herewith my second annual report as instructor of music.

Music is one of the most important subjects in the school curriculum, and the influence of this subject in the lives of the children and later in adult life is more powerful than that of almost any other educational activity. Because of its power

to stimulate mind and body, its effect to socialize, its possibilities for preparing one for better use of leisure time and its influence in creating greater increase in human happiness, music has become more and more regarded as a most valuable and indispensable subject in all schools.

In the first grade we have a great deal of rote work. Then each grade in its progress climbs one step in difficulty, until finally the older pupils study the more intricate three part works.

Very special stress has been given in the lower grades to the reading of notes. Also a thorough drill of time, and its complications.

The orchestra in Walpole has a membership of ten. The string section has been greatly improved this year. Because of the violin class work which has been carried on this year. The bass section is rather weak. We hope that we may have instrumental class instruction on wind instruments sometime.

In the junior high and high school chorus work we have continued training in voice production, enunciation, expression and interpretation.

We were delighted over the results of the operetta "The Saucy Hollandaise." We are commencing work on the operetta "Bobby" to be presented in the spring.

In the spring, we hope to have a music afternoon. When the children will give a concert for the public.

In North Walpole interest is being shown in Mr. White's instrument class. We hope that this will continue to grow, and we may, at sometime, have an orchestra or band here.

North Walpole has a volunteer chorus from the seventh grade which meets weekly. At various times during the year they ask the other grades in the building to join with them. This group has given two concerts this year. One at Nelson, and the other at Westmoreland. This group will probably give other concerts before the closing of the year.

North Walpole High School has a girls sextette. This group will be presented before the closing of school.

This department appreciates the splendid cooperation of the teachers and the enthusiastic support of Mr. Russell, Mr. Whittemore, and Superintendent Mr. Dalzell.

Respectfully submitted,
EVELYN L. BRINTON.

REPORT OF SCHOOL NURSE

Mr. C. D. Dalzell, Superintendent of Schools.

Dear Sir :

I herewith submit my annual report as School Nurse.

Inspection in Walpole showed the following defects :

303 pupils were inspected.

3 pupils showed defective hearing.

26 pupils showed defective vision—uncorrected.

17 pupils showed poor posture.

51 pupils were underweight.

161 pupils were in need of dental care.

21 pupils were unvaccinated, without proper excuse.

4 pupils were vaccinated once unsuccessfully.

35 pupils were recommended to have throat and nose examination by a physician.

Inspection in North Walpole showed the following defects :

190 pupils were inspected.

2 pupils showed defective hearing.

9 pupils showed defective vision—uncorrected.

9 pupils showed poor posture.

17 pupils were underweight.

107 pupils were in need of dental care.

16 pupils were unvaccinated, without proper excuse.

- 9 pupils were vaccinated once unsuccessfully.
- 17 pupils were recommended to have throat and nose examination by a physician.

A dental clinic was held May 6th to 19th, 1936, with work done as follows:

Number of pupils treated,	104
Total number of cleanings,	72
Total number of extractions,	33
Total number of Amalgam fillings,	68
Total number of Procelain fillings,	47

The bill for this work was one hundred and six dollars and fifty cents (\$106.50), paid for by the parents of pupils having work one.

- 68 pupils had their teeth cared for by their own dentist.
- 21 pupils had special eye examination and defects corrected.
- 13 tonsil cases were treated.
- 52 pupils were vaccinated.
- 3 pupils had treatment at the Orthopedic Clinic, Keene Community Hospital.

Much time is spent each year on home calls, business calls, providing clothing for needy pupils, and transportation of pupils to clinics, dentists, oculists.

I wish to express the appreciation of the district to the Local Red Cross Chapter, Mrs. C. A. Moore, Mrs. B. D. Mousley, Mrs. Frank Mitchell, Mr. Walter Shackley, and the Alliance of the Unitarian Church for assistance given in carrying on the work.

I also wish to express my appreciation to Superintendent, Headmasters, teachers, parents and pupils for their help and co-operation.

Respectfully submitted,
 FRANCES F. F. EDGETT, R. N.,
 School Nurse.

VITAL STATISTICS

To the Selectmen:

In compliance with an act of the legislature, passed June session, 1887, amended by the legislature of 1889, requiring “clerks of towns and cities to furnish a transcript of the record of births, marriages and deaths to the municipal officers for publication in the Annual Report,” I hereby submit the following:
